

Welcoming Scott Gaebler

Pacific Urethanes is pleased to announce that Scott Gaebler has joined our team as our Mining and Infrastructure Manager.

Scott has 30 years of combined experience in the Mining and Oil & Gas Industries. He has a depth of knowledge gained from working alongside Australia's largest mining companies to protect their assets. He is able to provide fit for purpose solutions that offer excellent abrasion and chemical resistance. These are suited to a wide range of applications; from tank linings to containment bunds to mining belts. Scott will be able to provide a thorough assessment of your site's assets and advise which systems will reduce downtime and increase efficiencies.

I am very much looking forward to coming onboard with **Pacific Urethanes** and am grateful for this opportunity. I embark on this role with a tremendous sense of pride and excitement for the years ahead.

Scott Gaebler
Mining & Infrastructure
Manager

Scott's customer-centric approach means that he spends time understanding our customers' requirements and works alongside them to ensure successful outcomes.

Scott is currently president of the WA branch of the Australian Corrosion Association and has completed an MBA, improving his essential qualities such as leadership, critical thinking, analytical and communication skills.

It is a pleasure to have you onboard Scott, we look forward to working with you!

To contact Scott, please call him on **0428 980 124** or email him at scott.gaebler@pacificurethanes.com
